

Biblical Principals

Biblical Principal 1---There are many ways to honor Jesus...it's not so much about the how...it's about the why...the motivation of one's heart.

Biblical Principal 2---There is to be one object of our worship...there is to be one audience of our worship...because there is only one worthy of our worship.

Biblical Principal 3---Maybe the most genuine worship originates from "broken jar" people who offer Jesus that which derives from their brokenness.

Biblical Principal 4---People will not understand extravagant worship...people will question, object & oppose extravagant worship...people get uncomfortable with extravagant worship.

Biblical Principal 5---Being enamored by Jesus' popularity will not get you saved. Jesus doesn't want to be your "pop star"...He wants to be your Lord!

Biblical Principal 6---To fully know Jesus, you need to fully know your Bible.

Biblical Principal 7---Before Jesus could offer the world eternal life, he had to die. Before you can receive the offer of eternal life, you must die...to self.

Biblical Principal 8---No one can be drawn to Jesus, until one visits the cross of Jesus.

Biblical Principal 9---Because of what Jesus accomplished on the cross, you no longer need to fear death...or the devil. He has been rendered powerless by Jesus.

Biblical Principal 10---Take advantage of the time you've been granted in the light of Christ.

Biblical Principal 11---The more you say "no" to Jesus, the harder it becomes to ever say "yes" to Him.

Biblical Principal 12---Those who love the praise of men over the praise of God, will never experience all God intends for them in Christ Jesus.
